95 LOCAL BUSINESSES RECEIVE FUNDING FROM GLAZER FAMILY SMALL BUSINESS FUND

Applications now open for second round of funding

Today, the Glazer family, owners of the Tampa Bay Buccaneers, donated funding to 95 local businesses throughout the Tampa Bay and West Central Florida regions impacted by the most recent hurricane season as part of the **Glazer Family Small Business Fund**.

The Glazer Family Small Business Fund allows participating chambers to distribute individual grants to small businesses that have been heavily affected by Hurricanes Helene and Milton. Following the first round of applications, 95 businesses were selected to receive funding. The participating chambers include: The Tampa Bay Chamber, North Tampa Bay Chamber, South Tampa Chamber, St. Petersburg Chamber, Tampa Bay Beaches Chamber, Manatee Chamber, Greater Plant City Chamber and Amplify Clearwater.

“Throughout this process, we have continued to be moved by the strength of this community and all that it’s endured in the last year,” said Buccaneers Owner / Chairman Tampa Bay Buccaneers Foundation / Chairman Glazer Vision Foundation **Darcie Glazer Kassewitz**. “My family and I are so grateful to the chambers for helping us to identify these businesses and are looking forward to continuing this work with additional funding to more businesses in need.”

A list of businesses receiving grants can be found below. Applications for the second round of donations are open now until Friday, March 14.

Following Hurricane Helene, the Glazer family donated \$1 million to support local relief efforts. The family then pledged an additional \$1 million on October 17 to recovery efforts following Hurricane Milton, which serves as the funding source for The Glazer Family Small Business Fund.
