Why do you want to serve on the Chamber board?	To grow our chamber in the health and professional sector, to establish a future for members to engage in e commerce/marketplace in our platforms, provide insight into healthcare delivery and health prevention to our businesses
What skills or expertise can you bring to the Chamber board?	Expert healthcare opinion, consulting for Healthcare/wellness start ups, AI and Machine Learning in medicine, Investment Experience, how to start your own company, how to patent your own devices, how to advocate on capitol hill for the state and your specialty associations in your businesses, how to get involved in campaigns and raise funds for your local officials.
Will other non-profit or professional commitments prevent you from fulfilling your commitment to the Chamber board? If yes, what are they?	I do own my private practice in plastic surgery. And I will do my best to fulfill the obligations of being a board member. Since I am my own boss, I can create my schedule in ways to be available.
Board members are expected to serve on or chair a committee. In	Governmental Affairs
